

## PULSE OXIMETER

Product Code : MQPOM01

### Specifications :

- Tough exterior
- High accuracy
- Perfusion index (PI)
- Low battery indicator
- Automatic Power off
- PR waveform display
- Four way display screen
- OLED display
- Programmable settings of Alarms

## PORTABLE PHEGM SUCTION UNIT

Product Code : MFPSM01

### Specifications :

- Voltage: 220V 50HZ
- Power: 90VA
- Max negative pressure value:  $\geq 0.075$ MPa
- Pumping rate:  $\geq 18$ L/min
- Reservoir volume:  $\geq 1000$ mL
- Oil-free piston pump
- Plastic panel to avoid water erosion.
- Overflow valve to prevent liquid from flowing into pump
- Adjustable negative pressure
- Light weight & easy to carry
